TOP EXPERIENCE FOR SOME OF OUR UNITED GIRLS

On Saturday, Oct. 19th, Coach Dani Gordon and Coach

Jess Lusardi took their United U8 Girls teams to the Oakland University game against the University of Detroit Mercy. Our United players walked out, "World Cup style", with the UDM starters!! When each of their starters were introduced by name, each of our United girls were also announced. During the game, some of Coach Dani's U12 and U14 girls had the opportunity to be ball girls for the game too.

During half time, our U8 United girls scrimmaged the Force U8 girls on the field!

The girls had a great time and an awesome experience!!!

Thanks to Coach Dani (who played for UDM) for setting this up with one of her friends and fellow Titan, who is now one of the assistant coaches at OU.

GO UNITED!
